# FROM KNOWLEDGE TO NATION BUILDING

Education is not the learning of facts, but the training of the mind to think.

- Albert Einstein

## **GYAANAAT LABHATE SARVAM (ज्ञानात् लभते सर्वम्)**

It is written in our logo, which means everything is achieved by knowledge. At Lucknow Public Schools & Colleges, we believe education is not merely about acquiring knowledge — it is about shaping minds that can imagine, innovate, and inspire. The world belongs to those who think differently, and at LPS, we are nurturing such thinkers for tomorrow.

We believe that true education awakens the potential within every child, empowering them to question, to create, and to contribute meaningfully to society. Our vision of world-class education is reflected in every aspect of our institution — from our modern, technology-enabled infrastructure to our globally aligned curriculum that upholds India's cultural ethos.

Each branch of LPS stands as a vibrant centre of excellence, where learning is joyful, purposeful, and future-ready. We are dedicated to create an environment where academic brilliance walks hand in hand with moral strength, compassion, and social responsibility.

At LPS, we understand that education must evolve with time, yet remain rooted in timeless values. We encourage students to dream beyond boundaries, think independently, and act responsibly. Every classroom, every activity, and every achievement at

LPS is a step towards building confidence, character, and commitment to excellence.

As we step into the academic session 2026–27, we reaffirm our commitment to empowering the new generation — a generation full of curiosity, creativity, and courage. Our mission goes beyond classrooms; it extends to building citizens who will lead with integrity and vision in a rapidly transforming world.

With the support of our dedicated educators and the trust of parents, LPS continues to set benchmarks in quality education, preparing students not just for success, but for significance in the ever-evolving world. As torchbearers of knowledge and values, we envision every LPSian as a catalyst for positive change — for their community, their nation, and the world at large.

I express my gratitude to those who believe in our shared vision and treat it as their mission in the making of the nation.

# LUCKNOW PUBLIC SCHOOLS & COLLEGES

**Where  
each  
STUDENT is  
GROOMED  
into a LEADER**

In an era defined by Generation Alpha, education must transcend conventional boundaries. At Lucknow Public Schools & Colleges, we recognise that world-class education today demands world-class practices — rooted in research, relevance, and responsiveness to the evolving needs of learners. Our philosophy harmonises tradition with innovation. From pedagogy to infrastructure, every aspect of our system is meticulously designed to harness the potential of young minds through meaningful engagement, personalised guidance, and 21st-century

learning skills. Comprehensive counselling support, dynamic teaching methodologies, and technologically advanced classrooms together create an environment where every child is empowered to learn, lead, and flourish. At LPS, we are not merely preparing students for examinations — we are preparing them for life, for leadership, and for a limitless future.

## Creating Entrepreneurship & Manifesting Potentialities

- We understand the value of child education through Play Group, Kindergarten & Montessori systems used throughout the world.
- We realize the value of holistic education in the light of New Education Policy and, hence providing multi-disciplinary learning forum, with the aid of the latest amenities. (5+3+3+4).
- Individual attention is given to each and every child.

## Vision

Our vision is to give student an access to high-quality learning resources, experienced and passionate teachers harnessed with cutting edge technology, nurturing culture of diversity, to prepare students for success in a globalized and rapidly changing world, to empower them for doing innovation and make them well rounded individuals as assets for society; who are academically proficient and socially and emotionally competent for coming times.

## Mission

Our Mission is to provide valuable and transformative education that generates emotional intellectual and social growth of every student, cultivating lifelong learning tendencies, to make them step up for upskilling, knowledge, values and systems to flourish in an ever changing global society, to attain excellence for all and excellence from all through quality teachers practicing for paradigm shift for maximum good and wellness.

## Morning Assembly

Each day begins with prayers to the Almighty to bless us to do the day's work with sincerity and honesty. Pledge, Thought for the Day and News Reading are distinctive features of the Morning Assembly. Class wise/House wise assemblies give all the students an opportunity to develop leadership, communication skills and self-confidence.

## Atmosphere of Competitive Examinations

Every year our students appear and get through various competitive examinations like IIT-JEE, N.D.A., P.C.S., I.A.S., CLAT, NEET, BITS. and NIFT etc. Classes for various competitive exams run in the school campus. Many students join prestigious colleges & universities every year for higher education. In order to prepare these students for such competitions classes are run and variety of books are made available in the libraries.

## Career Counselling

Career counselling is done in our school by national and international level experts, in which counsellors inform students about various courses, about new upcoming courses, government jobs and provides information about various scholarships. Preparation for NTSE, which is a prestigious government scholarship exam, is provided free of cost by the school. We also do psycho social counselling for parents, for which a team of social counselling experts has been formed here.

A book "Sapne Aur Rozgar Ki Raahein" has been written by the Founder & Chairman, Dr. S.P. Singh himself, providing information regarding various job platforms. The book was launched by the Honourable Governor, UP, Mrs. Anandiben Patel.

## Providing Role Models & Facilitators

The students are provided with opportunities for interactive sessions with eminent dignitaries. Dr. A.P.J. Abdul Kalam, Prof. S.K. Sopory (VC, JNU), Prof. R.P. Singh (VC, LU), Prof. Simon George, Dr. Devi Singh (Director, IIM), Prof. R.K. Khandal (VC, UPTU), Prof. S.B. Nimse (VC, LU), Prof. Anil Raina (Prof. Panjab University) and Prof. S.P. Singh (VC, LU) are few of them. Other popular personalities from Sports, Music, Fine Arts, Performing Arts and other fields are also invited and interactive sessions are held.

## Faculty

A highly qualified and experienced staff ensures the realization of the mission set by the Management.

## Student Council

Houses named as; Regal, Nobel, Liberty, & Dignity function at Primary, Middle, Secondary and Sr. Secondary levels for an overall development of students. College Captain, House Captain, Vice Captain and Prefects are appointed to inculcate the feeling of responsibility and trust.

## Special Emphasis on Spoken English

In the era of globalization, English has become a universal language therefore the institution lays strong emphasis on Spoken English by conducting numerous activities and by using various teaching aids, with latest technology viz. interactive panels & digital classrooms.

## Gala Felicitation

Meritorious students of classes X & XII are felicitated with trophies, mementoes and certificate of honour. Their parents are honoured with shawls, saplings etc.

Awards and prizes are given to those students also, who perform well in Home Examinations and other co-curricular activities & different competitions organized by the school and other organizations.

## LPS Publications

The school publishes bulletins in the name of The Profile and Annual Magazine in an academic year to encourage literary skills among the students. It also keeps the parents in touch with regular activities and general information of the school.

## Library & E-Library

Various magazines, journals and books written by eminent personalities and authors have been introduced in the school libraries to keep the teachers and students updated with current information and knowledge. Library period runs from Class I onwards. The Library is affluent with autobiographies, latest edition of course related books to cover whole syllabi, fiction, reference books covering all related fields. The concept of Digital Libraries has been adopted by incorporating E-content, enhancing their resources and accessibility.

## No Bag System & Activity Based Learning

To reduce the burden of carrying textbooks and encourage creative thinking among children, we have introduced 'No Bag System' for our pre-primary children.

## Digital Classes with Advanced Interactive Panels

With the digital classes, educating the students has become even more interesting and enjoyable. The students are enabled to understand tough topics, difficult scientific models and Mathematics construction along with their concepts with the help of 2D and 3D visual aids. It also makes their practical lessons comprehensible in Physics, Chemistry, Biology, Maths, Science, English and Robotics. It empowers our teachers with a virtual syllabus through which they are able to interact with the students while teaching by applying various interactive tools available in the solution. In Pre Primary, the digital classes work as edutainment (education + entertainment) as through animated characters and cartoons they learn the basics supported by various exercises.

## Facilities for Sports & Games & Open Gym

The school provides facilities for a wide range of sports and games & open gym for fitness. Expert coaches are employed to train the students for their all round development. Our students have shown their excellence in all the following games and many more:

## School Website ([www.lps-lpc.org](http://www.lps-lpc.org))

It furnishes all the details about the institution and keeps the parents informed about the school activities. Details regarding any of our esteemed branches, its history, stream and its infrastructure as well as any other information can now be easily viewed. Students have been facilitated to download school prospectus, admission form, school activity calendar, time table of Tests & Examinations from this website. The prescribed syllabus for each term from Classes I to XII is also accessible on this website. Facts concerning any particular branch can be found on its branch portal.

## Robotics Classes

We offer dedicated Robotics Classes designed to nurture creativity, logical thinking, and problem-solving skills in our students. Our well-trained faculties ensure that every child learns by doing, making robotics an exciting and integral part of our curriculum.

## Inter-School Activities

In order to provide exposure to the outside world and to build a healthy competitive spirit and confidence among the students, the school ensures participation in various competitions and activities organized by other schools & organizations. The school itself organizes many interschool events.

Students regularly participate and bring laurels to the school by participating in various State, National and International level competitions.

## Disaster Management

### Evacuation Drill & Fire Equipment Training

Fire equipment training is conducted in our Lucknow Public Schools and Colleges for its staff to safeguard lives, ensuring a secure environment. This training equips our team with the skills and confidence to respond effectively in emergencies, prioritizing the safety of every student and individual on campus. Following the Exit Map, the periodic drills for evacuating the school building are conducted.

## Elevators

Elevators have been installed in most of the school campuses for providing convenient and efficient access to upper floors for the specially abled students and Senior Citizens.

## Project Work (S.U.P.W.)

Project Work on different subjects has been introduced in the curriculum up to Class XII to encourage their involvement in extra-curricular activities, social issues and to explore their innovative skills.

## Zero tolerance against Child Abuse

Through Project CACA (Children Against Child Abuse), the school promotes safety for children at school. The project empowers children through life skills and value education. Through various workshops, it builds school's capacity on legal, clinical and academic aspects of child rights, abuse prevention and gender equality.

## Synthetic Courts & Turfs

Sports is equally important in a student's life. To make sports an overall enriching experience for students, the school follows International standards of sports. It has furnished its various branches with synthetic courts and turfs for different sports.

## Computer Education with Coding and AI

Compulsory Computer Education is imparted from Class I to VIII and Class IX to XII as an optional subject. Keeping the need of future in view, the school has launched Coding, Robotics and Artificial Intelligence to empower students with entrepreneurship, upskilling, technological advancement, and logical thinking for making them future ready.

## International Achievements

The school is not just known for its performance at the national level but at the international level as well. Our students have participated in various cultural as well as sports events organized at international level and have left an indelible mark on everyone involved in the event. Our students have been to other countries also representing India for various activities. Xenium, the Annual Fest of LPCPS hails students participating from various countries each year.

## Goal 4 All-Active Participation in Social Welfare

An initiative - Goal4All (Greenery, Orphanage, Aged and Lending) which is committed to help the needy and bring a positive change in the society. Donation and help is provided (monetary and otherwise) by the students, staff and the Management for the victims of the various Natural Disasters causing havoc in the country to sensitize students to collect sweets, clothes, books, toys and share these things with those at orphanages and old homes, as a mark of love for humanity. School contributes to the environment by Plantation Drive, Save Water and Say No to Polythene etc.
