The Magnum Opus : Celebrating 40 Years of Academic Excellence

YEARS OF ACADEMIC
**EXCELLENCE AND
INNOVATION**

Dear Parents, Students, & Well-wishers,

With immense joy, I extend my warmest greetings to you. Lucknow Public Schools & Colleges, over the last four decades, has blossomed into an institution synonymous with academic brilliance and holistic development.

Our unique philosophy of learning, doing, creating, and nurturing has sculpted generations of learners into responsible global citizens. At the heart of our ethos are unwavering core values that drive our dedicated teachers to impart education of the highest standard. We foster an environment that stimulates critical thinking, creativity, and adaptability, enabling our students to thrive in our rapidly evolving world.

In our pursuit of excellence, we celebrate cultural diversity and promote global awareness. By instilling a deep appreciation for varied cultures, we enrich the humanitarian sphere and cultivate empathetic leaders who understand the complexities of our interconnected world.

At Lucknow Public Schools & Colleges, we envision not just education but transformation. Our mission is to equip every student with world-class education, essential skills, profound knowledge, and exemplary character. We are committed to nurturing leaders, innovators, and individuals who will make positive contributions on the global stage.

I am inspired by the incredible potential within each student, a testament to the collective effort of our dedicated staff, supportive parents, and the hard work of our students. Your faith in us fuels our determination to maintain the high standards that have made us a beacon of educational excellence.

I express my heartfelt gratitude to each one of you for joining me on this visionary journey. Together, we are shaping a future that aligns with the contemporary global trends in education, enriching lives and fulfilling the aspirations of the present generation.

Lucknow Public Schools & Colleges

Where each student is groomed into a leader

Since our establishment in 1983, the objective of imparting Quality Education to young minds to help them groom into a complete person, is also growing bigger. We are imparting value based education to each of our children to develop cognitive excellence that is making the real difference. The school also emphasizes on physical and socio-emotional development to ensure the complete grooming of the child. Putting an exceptional effort to make a positive change to bring an education paradigm, LPS allows young learners an introspective and analytical ability to assimilate the creativity.

Creating Entrepreneurship And Manifesting Potentialities

- We understand the value of child education through Play Group, Kindergarten & Montessori systems used throughout the world.
- We realize the value of holistic education in the light of New Education Policy and, hence providing multi-disciplinary learning forum, with the aid of the latest amenities. (5+3+3+4).
- Individual attention is given to each and every child.

Vision

We, The Lucknow Publicans

- Ensure all round development of each child.
- Recognize the maximum benefit of any service to children through close co-operation of parents and other educational workers in the field.
- Provide latest aids and educational apparatus to create a suitable atmosphere for teaching-learning process.
- Welcome suggestions from parents, well wishers and educationists for the betterment of the society.
- Work for the highest standard in the quality of staff and equipments in all the branches with the latest amenities.
- Re-affirm our belief in the value of high-quality education in the early years knowing that only good education can change our destiny.
- Build a child's self esteem projecting his/her personality profile.

Mission

- To remove ignorance from the society and prepare children for achieving academic excellence and success in life.
- To produce cent-percent results in ICSE/ISC, CBSE and U.P. Board Examinations.
- To stimulate imagination for positive attitude building through study techniques and effective communication.
- To produce conscientious competitors and builders of the nation.
- To encourage children to pursue various anti-pollution campaigns and an ecological awareness to create a pollution free environment.

Morning Assembly

Each day begins with prayers to the Almighty to bless us to do the day's work with sincerity and honesty. Pledge, Thought for the Day and News Reading are distinctive features of the Morning Assembly. Class wise/House wise Assemblies give all the students an opportunity to develop leadership, communicative skills and self-confidence.

Atmosphere of Competitive Examinations

Every year our students appear and get through various competitive examinations like IIT-JEE, N.D.A., P.C.S., I.A.S., CLAT, NEET, BITS. and NIFT etc. Classes for various competitive exams run in the school campus. Many students join prestigious colleges & universities every year for higher education. In order to prepare these students for such competitions classes are run and variety of books are made available in the libraries.

Providing Role Models & Facilitators

The students are provided with a horizon of thought by organizing interactive sessions with eminent dignitaries. Dr. A.P.J. Abdul Kalam, Prof. Simon George, Dr. Devi Singh (Director, IIM), Prof. R.K. Khandal (VC, UPTU), Prof. S.K. Sopory (VC, JNU), Prof. S.B. Nimse (VC, LU), Prof. Anil Raina (Prof. Panjab University) are few of them. Other popular personalities from Sports, Music, Fine Arts, Performing Arts and other fields are also invited and interactive sessions are held.

Faculty

A highly qualified and experienced staff ensures the realization of the mission set by the Management.

Student Council

House system functions at Primary, Middle, Secondary and Sr. Secondary levels for an overall development of students. College Captain, House Captain, Vice Captain and Prefects are appointed to inculcate the feeling of responsibility and trust.

**Academic &
co-academic**
SPECTRUM OF QUALITY EDUCATION

Career Counselling

In order to find the best suitable options for higher studies and to keep up with the current job trends, regular counselling sessions are held. It includes information of different courses, jobs in private & government sectors both, related to all fields and courses offered by the foreign universities as well as Indian universities of all areas. Learned career counsellors from different fields are invited from time to time to make students aware of different competitions & career options.

A book "Sapne Aur Rozgar Ki Raahein" has been written by the Founder & General Manager, Dr. S.P. Singh himself, providing information regarding various job platforms. The revised and second edition of the book was launched by Honourable Governor of U.P. and is also available in the school library.

Gala Felicitation

- Medals, Certificates and other attractive prizes are given to the top rankers of class X & XII (all Boards). The teachers and parents are also felicitated for their valuable contribution in a Grand Felicitation Ceremony.
- Awards and prizes are given to those students also who perform well in Home Examinations and other co-academic activities & different competitions organized by the school and other organizations.

Self Exploratory Learning Forum

The teachers offer elaborate, coherent, practical and project based study packages to the students. Audio-visual rooms, in particular, are there facilitating teaching aids for special learning domain.

Special Emphasis on Spoken English

In the era of globalization, English has become a universal language therefore the institution lays strong emphasis on Spoken English by conducting numerous activities and by using various teaching aids, with latest technology viz. interactive panels & digital classrooms.

LPS Publications

The school publishes bulletins in the name of The Profile and Annual Magazine in an academic year to encourage literary skills among the students. It also keeps the parents in touch with regular activities and general information of the school. A beautiful Coffee Table Book is also there containing the History and achievements of the institution.

Library

Various magazines, journals and books written by eminent personalities and authors have been introduced in the school libraries to keep the teachers and students updated with current information and knowledge. Library period has been introduced from Class I onwards. The Library is affluent with autobiographies, fiction, diversified reference books touching all related fields.

School Website

Co-ordination and co-operation between the school and the parents is essential for the all round development of the students and the best way to strengthen this bond is through the college website www.lps-lpc.org which furnishes all the details about the institution and keeps the parents informed about the school activities. Details regarding any of our esteemed branches, its history, stream and its infrastructure as well as any other information can now be easily viewed. Students have been facilitated to download school prospectus, admission form, school activity calendar, time table of Tests & Examinations from this website. The prescribed syllabus for each term from Classes I to XII is also accessible on this website. Facts concerning any particular branch can be found on its branch portal.

No Bag System & Activity Based Learning

To reduce the burden of carrying textbooks and encourage creative thinking among children, we have introduced 'No Bag System' for our pre-primary children. We also encourage students to actively participate in their own learning experience through hands-on activities. Learning by Doing is what we always promote at LPS.

LPS App

The school has its own app which aims to bridge communication gap between parents, teachers and students. The app covers the entire spectrum of school communication that facilitates growth and easy access to shared resources and information.

Digital Classes With Advanced Interactive Panels

LPS provides digital classes with the most up-to-date information available. All the classes at our branches are 100% digital. Students these days are tech-savvy. With the introduction of digital classes, educating the students has become even more interesting and enjoyable. By following this technology the students are able to understand tough topics, difficult scientific models and Mathematics construction along with their concepts with the help of 2D and 3D visual aids. It also makes their practical lessons comprehensible in Physics, Chemistry, Biology, Maths, Science, English and Robotics. It empowers our teachers with a virtual syllabus through which they are able to interact with the students while teaching by applying various interactive tools available in the solution. In Pre Primary, the digital classes work as edutainment (education + entertainment) as through animated characters and cartoons they learn the basics supported by various exercises.

Facilities for Sports & Games

The school provides facilities for a wide range of sports and games. Expert coaches are employed to train the students for their all round development. Our students have shown their excellence in all the following games and many others :

- | | | | | | |
|---------------|-------------|----------------|---------------|-------------|-----------------|
| ■ Basket Ball | ■ Hand Ball | ■ Badminton | ■ Volley Ball | ■ Swimming | ■ Tug-of-war |

| ■ Kho-Kho | ■ Taekwondo | ■ Chess | ■ Skating | ■ Carrom | ■ NCC |
| ■ Athletics | ■ Hockey | ■ Yoga | ■ Karate | ■ Grappling | ■ Scout & Guide |

Inter-School Activities

- In order to provide exposure to the outside world and to build a healthy competitive spirit and confidence among the students, the school ensures participation in various competitions and activities organized by other schools & organizations. The school itself organizes many interschool events.
- Students regularly participate and bring laurels to the school by participating in various State, National and International level competitions.

LPSC MUN

The LPSC MUN is an annual event that is a simulation of the United Nations where students play the roles of delegates representing different countries. It offers students the unique opportunity to enhance their public speaking and diplomacy skills. The students participate actively in Model UN which develops their public speaking, writing and research skills.

Open Gym

Physical fitness is one of our prime concerns. To promote it among students and staff, the school offers Open Gym facility at many of its branches.

Elevators

Elevators have been installed in most of the school campuses for providing convenient and efficient access to upper floors. It benefits the specially abled students receiving education in the institution. It also helps in complying with access and fire safety standards.

Synthetic Courts & Turfs

Sports is equally important in a student's life. To make sports an overall enriching experience for students, the school follows International standards of sports. It has furnished its various branches with synthetic courts and turfs for different sports.

International Achievements

The school is not just known for its performance at the national level but at the international level as well. Our students have participated in various cultural as well as sports events organized at international level and have left an indelible mark on everyone involved in the event. Our students have been to other countries also representing India for various activities. Xenium, the Annual Fest of LPCPS has students participating from various countries each year.

Project Work (S.U.P.W.)

Project Work on different subjects has been introduced in the curriculum up to Class XII to encourage their involvement in extra-curricular activities, social issues and to explore their innovative skills.

Computer Education with Coding and AI

Compulsory Computer Education is imparted to the students from Class I to VIII and Class IX to XII as an optional subject. Keeping the need of future in view, the school has launched Coding and AI to introduce children to logical thinking and problem solving and prepare them for future market ventures.

Zero tolerance against Child Abuse

Through Project CACA (Children Against Child Abuse), the school promotes safety for children at school. The project empowers children through life skills and value education. Through various workshops, it builds school's capacity on legal, clinical and academic aspects of child rights, abuse prevention and gender equality.

Active Participation in Social Welfare

Lucknow Public Charitable Trust has come up with an initiative - Goal4All (Greenery, Orphanage, Aged and Lending) which is committed to help the needy and bring a positive change in the society. Donation and help is provided (monetary and otherwise) by the students, staff and the Management for the victims of the various Natural Disasters causing havoc in the country. Students collect sweets, clothes, books, toys and share these things with those at orphanages and old homes. School contributes to the environment by conserving rainwater through awareness programmes, plantation and rain water harvesting. Time to time adoption of animals in the zoo by the institution makes the students aware of their wonderful fellow beings.
